*Blues and Rhythm*

***“Authors such as Annette Sanford could use this music for inspiration.”***

*Blues Rag*

With hundreds of original compositions, Randy McAllister has proven to deliver critically acclaimed music that successfully crosses genre. Exploring urban, rural, social and relationship themes, Randy produces a mature, rich storyline embedded in strong simple melodies that lock on the subconscious for memorable hits. Just listen to his recorded library covering over 10 years, 80 songs and yet is just the beginning. Randy is a prolific writer. His 8th album is already in post-production but his existing catalog extends well beyond his releases.

Randy has written and arranged Rock, Blues, Texas-Blues, Zydeco, Mariachi, Latin, Country, Folk, Americana, Jazz, Adult Contemporary, and Western. Randy is comfortable in most genre. While best known for Americana and Blues, some of his Latin compositions would make moving anthems scored for movies or arranged for symphony. Bands or soloists will love the energy Randy's arrangements add to live performances.

Just listen. The amazing range, the lyrical fit, the memorable melodies are a rare combination that places Randy McAllister among the top songwriters of his time. Randy grew up with the soul and artistry of music nurtured by family and community. The years of struggle, relationships, social observation and exuberant celebration strongly influence his lyrics and melodies. Using the language and palette that is music, he is a master, able to communicate through every word, measure and note. Randy, in the tradition of the great Americana/Blues legends, is able to related to your audience because he is telling their stories. He explores the lives, lies, loves, and losses that resonate deep in the soul while celebrating life's triumphs.

Randy is available for special projects or you can contact Busthead Management to license existing compositions at 214-453-2503 or email [Chris@BustheadManagement.com](mailto:Chris@BustheadManagement.com)

***“witty, honest, and sometimes humorous writing, McAllister weaves a contemporary story book with songs of addiction, homelessness, sexuality and that other in-your-face life stuff!”***

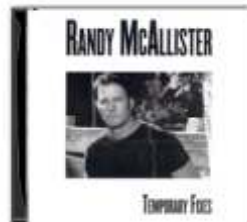

*Big City Blues Magazine*

***“McAllister's songwriting is so clever,”***

*Blues and Rhythm Magazine*

***“written with a lot of humor and passion. A gem of undercurrents and surprises”***

*Southwest Blues*
